

Benefits for Times Supermarkets Members

Advantages to signing up under the Times Supermarkets PPO Plan

Whether you are an existing member, or looking to switch your current insurance, the Times Supermarkets PPO Plan provides an alternative, cost effective medical insurance option. HMA welcomes all Times Supermarkets employees to learn more about how this plan can help you and your ohana stay healthy, save money and enjoy life's greatest treasures. Here are a few of the advantages the Times Supermarkets PPO Plan offers.

- ▶ No Annual and Lifetime Limitations
- ▶ No Referral to See a Specialist
- ▶ Freedom of Choice:
 - Benefits for Participating Providers
 - Benefits for Non-Participating Providers

Looking for a Doctor?

Our "Find a Provider" online directory feature can help you identify Physicians, Health Care Practitioners, Hospitals, and Facilities that participate with the HMA Network. The online directory allows you to search by Provider name, specialty, and region then provides details on the Physician or facilities address, telephone number and more.

Visit www.hma-hi.com/Find-Providers for a directory of participating Doctors, Specialist, Practitioners, Hospitals and Facilities nearest you.

Did You Know?

A yearly flu vaccine is the first and most important step in protecting against this serious disease. Getting the flu vaccine before the start of seasonal flu activity each year is always a good idea. Encourage your loved ones to get vaccinated as soon as it becomes available.
